Welcome!
At Agnes Goode Kindergarten we believe that each child is unique and we aim to provide a fun, educational experience that will develop children's life skills and competencies. We provide a program that caters for all areas of children's development, physical, social, emotional and intellectual, using multi-cultural, non-sexist resources in a caring and nurturing environment.

We offer:
KINDERGARTEN—15 hours per week for 12 months before school
OCCASIONAL CARE—for children over & under 2 years of age.

Our play based curriculum is based on the national Early Years Learning Framework which forms the foundation for quality teaching and learning for all children in Early Childhood education and Care settings across Australia.

Occasional Care is a "now and then" childcare service designed for parents to have a break/or attend to other commitments knowing that their children are well cared for.

Occasional Care is integrated with Preschool sessions and caters for the development and educational needs of young children in a caring environment.

For more information or to enrol your child please contact staff at Agnes Goode Kindergarten.

Single Intake—Kindergarten
From 2013 we have one Single Intake at the beginning of each year.
Children turning 4 up until the end of April begin at the start of the year.
Children turning 4 after May 1st begin kindergarten at the start of the following year.
This aligns with the Single Intake to school, from 2014.
We run information and orientation sessions for new families, mid year.
